Fitting Out Works for

- **Office at Harbour Centre, Hong Kong**
- **PYE Shops at Oriental Plaza & Sun Dong An Department Store, Beijing**
- **Villas at Gaoming City, P.R.C.**

As the employer of the captioned projects, we confirm that Fuji (China) Decoration & Engineering Co., Ltd. was the main contractor for the fitting-out works carried out in Hong Kong and P.R.C.

All these projects involved high quality marble works, plastering and painting, carpentry and joinery works, E&M installation, furniture fabrication and signage works.

During the construction, Fuji had demonstrated themselves as a competent and responsible contractor. Even with the remote control of the designer in overseas, the projects were completed on time and we are satisfied with the workmanship achieved.
