To Whom It May Concern,

Just Gold Fitting Out for Causeway Bay Shop

We hereby confirm that Fuji (China) Decoration & Engineering Co., Ltd. was the Contractor for the fitting-out works of the captioned project. The scope works include interior finishing, built-in and loose furniture, M&E installations, graphic and signage works.

Despite of a highly demanding programme with an extremely tight schedule, the project was completed on time and to our satisfaction.

We are impressed by the positive attitude of Fuji in monitoring the progress and co-operating with the Designer for the project.
