To Whom It May Concern

This is to certify that **Fuji (China) Decoration and Engineering Co., Ltd** was the interior contractor for recent renovations at the Grand Hyatt Hong Kong including the guestrooms and some executive suites. Fuji was also the interior contractor for the ballroom and pre-function area at the Grand Hyatt Shanghai. Fuji has worked in a professional manner during the construction period and has successfully completed the aforementioned projects.

We are satisfied with all their work and do not hesitate to recommend Fuji (China) Decoration and Engineering Co., Ltd.

Yours sincerely,
