Dear Sirs,

Union Square Package 6 – Tower 20, Kowloon Station
Fitting Out Works for The Harbour View Place at the ICC Megalopolis

We are a wholly owned subsidiary of Sun Hung Kai Properties Ltd. We hereby confirm that Fuji (China) Decoration & Engineering Co., Ltd. was the Nominated Sub-Contractor for the fitting out works of the captioned project which was completed in August 2008.

Fuji performed fitting out works for the Hotel Lobbies from 1/F to L/F, and the Hotel Guestrooms, Lift Lobbies, Corridors and Lift Cars from 50/F to 69/F.

We were impressed by the positive and cooperative attitude of Fuji (China) throughout the project. Despite an extremely high quality requirement and tight time schedule, the project was completed on time with a high level of quality.

Their performance was most satisfactory, and we would not hesitate to recommend Messrs Fuji (China) Decoration & Engineering Co., Ltd. to other Employers for carrying out fitting out works of a similar nature.

Yours faithfully
For and on behalf of
SANFIELD BUILDING CONTRACTORS LTD.
