Dear CY,

Re: DaZhongLi, Shanghai
Mock-up

I write to thank you for your help and co-operation in the timely completion of the atrium mock-up for our important DaZhongLi Project in Shanghai.

It has been a difficult mock-up and we are very impressed with the dedication of your colleagues and workforce in pro-actively solving construction and sourcing problems and working within an extremely tight programme. Particular thanks to Mr Billy Ngai.

Yours sincerely,
For and on behalf of
